MEMO ENDORSED

Re: Chandra v. New York University, et al.
Civil Action No. 1:24-cv-3105 (VEC)

Dear Judge Caproni:

Further to the Court's instruction at ECF 42, the Parties write to advise the Court of the status of mediation and to request an additional stay until August 15, 2025 for a final effort at settlement prior to discovery.

Status of mediation. The parties exchanged settlement offers with the assistance of Mr. Grenert and made some progress towards a resolution. The Parties have agreed to assign this matter to JAMS Mediator Vivian Shelanski and have scheduled in person mediation at JAMS on August 1, 2025.

Request for an additional stay. The Parties request until August 15, 2025 to pursue full resolution, which would allow enough additional time to draft papers and file a stipulation of dismissal.

Thank you for your attention to this matter.

Respectfully Submitted:

Nathaniel K. Charny

cc: All Counsel of Record (by ECF)

Application DENIED. The Court has not stayed this action and declines to do so. Rather, by **Friday, August 15, 2025**, the parties must provide another joint status update regarding mediation and settlement. The parties have participated in several, lengthy mediations. If the parties are unable to reach a settlement in principle by the next status update, the Court is likely to set the discovery deadlines it previously adjourned *sine die* in its prior Order at Dkt. 41.

SO ORDERED.
